

## We're Cycling in Modern Luminance

Eureka's Cycle Collection seamlessly blends light and design

### Peaceful Singularity

The perfectly diffused direct/indirect illumination of Cycle creates a luminous halo that fills large spaces with presence and simplicity.

It uses a proven ecological sound absorbing material to reduce unwanted reflected sounds to dampen ambient noises.

### An Overlay of Light

Cycle may be made available in pre-configured layered chandeliers suspended from a single mounting point. Easy to install, plug and play system: fixtures mount and adjust one by one and are then easily connected to the canopy.
