Lindsey Lighting's new Shooting Star Pendant is sure to turn heads

Among the Stars

By adding a very sophisticated solid HLO Drop lens to the oh-so-slender 1" Shooting Star body this pendant really shines. The 1/2" HLO adds a touch of sparkle, while the 6" and 12" HLOs create a luminous glow.

Mix + Match

With field adjustable wire, the Shooting Star HLO pendants can drop at any height you want. Line them up in a series or group them for a mass effect. The body comes in beautiful polished and matte anodized finishes, as well as satin and gloss powder coat colors.
