

Friday's Featured Fixture

Ambient Comfort, Intuitive Control

Direct light where you need it with the Tri-Pipeline's 360° rotation

Innovative Ambiance

Tri-Pipeline 1 Suspension with Remote Power is an innovative linear LED fixture with three to six channels that can be rotated 360°, allowing you to effortlessly shine the light Up for Indirect ambient lighting, or downward for task and general illumination, and anywhere in between.

New Warm Dim

Each channel produces clean, uninterrupted beams of light through a Diffused White 176° Lens. Highly customizable, the Tri-Pipeline 1 Suspension is available in lengths from 3' to 40' and multiple color temperatures Color Temperatures, including Warm Dim.
